

Across

- 1 How Patty Mills, Joe Ingles, or Dante Exum might slangily refer to an eccentric character in their homeland. (3)
- 4 Ray-finned fish that can live in water near the current Lakers' location or in their original, freshwater region in Milwaukee. (4)
- 5 Nickname for the host of "The Cube". (5)
- 6 Cedi Osman's birthplace became the most recent addition to this intergovernmental military alliance in March of 2020. (4)
- 7 Three characters you might text when disappointed in your team. (3)

Down

- 1 The small-ball lineup Golden State made fatal. (5)
- 2 As well. (4)
- 3 Briefly, the body's "master antioxidant" which works like a *glue* guy maintaining healthy balances in your lungs, liver, and almost every bodily cell. (3)
- 4 Alternate end-of-game format the NBA used in the last two All-Star games. (4)
- 5 How to spell a dolphin's dorsal and pectoral appendages, with no *Is*. (3)
