

Across

- 1 Bam's initials, if Bam was his actual first name. (3)
- 4 Senegalese NBA leader in career blocks. (4)
- 5 Common follow-up move after a missed layup, especially by superstars. (5)
- 6 Second-youngest Senegalese player currently in the NBA, more known for his height than his age. (4)
- 7 Abbreviation for the year marking the end of the cold war and optimism around global collaboration in space science. Steely Dan's Fagen parodied the futuristic naivete from the period with references to Spandex jackets and underwater trains. (3)

Down

- 1 How Donald Trump might predict his favorite team would win a game. (5)
- 2 Players can be whistled for a blocking, charging, loose ball, intentional, or flagrant one of these during a game. (4)
- 3 The kind of index that Kevin McHale (+7"), Rudy Gobert (+7"), and Kawhi Leonard (+8") are more more well known for than Reggie Jackson (+9"), Mario Chalmers (+8"), and Rodrigue Beaubois (+8"). (3)
- 4 How a player in transition screens? (4)
- 5 "Girl's Not Grey" and "Miss Murder" band whose name

spelled out has served as a cliched explanation for some NBA players' competitive edge. (3)
