

Across

- 1 Before covid, the most infamous infection an NBA team would worry might spread among its *staff* in the lockerroom. (4)
- 5 How the Thunder's Daequan was listed in boxscores of seasons past. (5)
- 6 Worker ant. (6)
- 7 Baron Davis claimed to have been abducted by these in 2013. (6)
- 8 The jersey patch that many a Thunder fan unironically *hates*. (5)
- 9 Briefly, one of the videogame consoles you could play the original NBA Jam on. (4)

Down

- 1 Mike, Pamela, Imani, and Javale comprise the entirety of these in professional hoops. (6)
- 2 Horses of a more mixed pigment than the bold colors of Dallas's Champ or Detroit's Hooper. (5)
- 3 Buncha drunks. (4)
- 4 The Wolves' Layman minus his *J*? (And I don't mean a jumper.) (3)
- 5 Term used to describe a player's motivation or penetration as a ball handler. (5)
- 6 Businessman whose genius the late Kobe bought into, and who used his wealth this week to waste a bunch of covid tests. (4)

- 7 Disease more synonymous with Lou Gehrig and ice buckets than NBA legend George Yardley, who also succumbed to the illness. (3)
